Workers' Compensation Payroll Reporting Information

Dear Insured:

Enclosed is a payroll report form that must be completed and returned to our office. The information you provide will allow us to properly adjust your premium for the indicated policy period.

To successfully complete your audit, you must include copies of tax forms or payroll documentation relevant to your business to support the information being reported.

Please refer to the **Supporting Tax and Payroll Documentation Reference Table** on page 2 to determine what documentation is required and acceptable based on your business entity. If your entity type is not listed, please provide the tax documents you filed. If your policy provides coverage for multiple business entities, you must provide copies of supporting tax and payroll documentation for each entity.

We realize that the time frames associated with the requested reports may not match your policy period exactly. We ask that you send those reports that most closely correspond to the indicated policy period.

Construction/Contracting Businesses:

See Section B of the **Supporting Tax and Payroll Documentation Reference Table** for a list of additional information you must send for each subcontractor you contracted to provide work or services during the indicated policy period.

If you do not allow us to examine and audit all of your records that relate to this policy and/or do not provide audit information as requested, we may apply an Audit Noncompliance Charge of up to TWO TIMES your estimated annual premium.

Our contract with the Workers' Compensation Insurance Plan requires us to cancel your current coverage if you fail to complete and return the payroll report form along with the requested tax and payroll documentation by the due date. You will remain ineligible for coverage through the IA Workers' Compensation Insurance Plan until you have complied with all audit requirements.

If you have any questions, feel free to contact our Residual Market Underwriting Services Department toll-free at (877) 347-3596 or by email at policyservices@ormarks.com.

Thank you for your cooperation,

Old Republic Residual Market Services
